

CASABLANCA - A fundraiser for CASA of Central Oregon Friday, September 17, 2021

Join in our efforts to give every child in foster care in Central Oregon the benefit of a Court Appointed Special Advocate (CASA). CASAs are highly trained and supported community member volunteers who advocate for abused and neglected children in the court system and throughout the community. They work so that every child in foster care can transition to a safe and permanent home and have hope for their future.
